

The sisters at the Convent of the Mother of God, Quick to Hear have been blessed to have a beautiful iconostasis built and installed in our house chapel. When we reached out to you, our friends, family and supporters, you were generous in responding to our plea for funds to build the iconostasis. With your help we raised enough money to pay for the beautiful iconostasis and icons. Attached are photos of the installed iconostasis, which greatly enhances our daily church services

Once more we reach out to you asking for your support. When we moved into our beautiful location there was a very large two level garage. The garage was converted into work space and living quarters where three sisters are living and a guest room. We now need to build a shelter for our car, snow blower, lawn mower and large tools which up until now spend the winter open to the weather.

Please help us raise \$14,500 to build a carport which will fit a car and the various machinery.

You may make a donation on our website: www.Conventquicktohear.org or send a check payable to Convent Quick to Hear. Our address is: 235 Cole Hill Rd. Richfield Springs, NY. 13439

May God bless you for your prayers, generosity and support
